When we talked the other day with Bob Magee about the ADD group, I believe we agreed to bring to an EXCOM a discussion of a possible future retirement benefits package. I haven't seen what has been done to date, but I think the Deputies would like to consider:

- 1) Whether a future Agency retirement system proposal should reach today's CIARD's population, or a narrower group, or the whole Agency;
- 2) Broadly speaking, what we think the major elements of our proposal ought to be; and
- 3) Whether it is desirable to package any proposals we have for a revised future retirement system with other ideas like 401K, etc.

Could we discuss, leading toward a meeting in early September? Thanks.
